LETTER TO SHAREHOLDERS

Dear Shareholders,

I, Suhir Hiralal Shah (Managing Director), heartily welcome you all, having joined **RELICAB CABLE MANUFACTURING LIMITED** family with your participation in our maiden public offer. It is my desire and wish that this association of ours, will strengthen our hands in to reach glorious heights.

We are fortunate and humbled by the response received for the Initial Public Offering (IPO) of the shares of Relicab Cable Manufacturing Limited which was listed in the financial year 2015-16 on 22nd March, 2016 on BSE SME Platform.

The support given to the IPO road shows was very heartwarming and I would like to thank all our investors for showing confidence and trust in Management Capabilities of the RELICAB team, our philosophy of fairness and transparency and in our commitment to social initiatives to promote economic and social well-being of the society around us.

Relicab has been an early adopter of technology. We are now aggressively moving technology to the core of our business. It is central to connect with customers, dealers and the sales force. Your Company is continuously investing in technology to maintain a strong differentiator in the Industry and enable a non-linear growth going forward. We are riding in the same spirit of action powered by clarity. Each and every one of us has a clear vision of where to go and what to achieve. The path ahead isn't easy and that's probably why treading it successfully would be all the more rewarding. But it feels great to know that it is time for this large and committed team to load with an air of purpose and let out a powerful shriek that says... "MOVE FORWARD"

We see a large canvas of opportunities in front of us and we are fully prepared to leverage them with the cooperation of our people, partners and associates. I would like to take this opportunity to thank all of them, as also the Board of Directors for their invaluable guidance through this journey.

 - The process and manner for remote e-voting are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.

6. If you are unable to retrieve or have not received the " Initial password" or have forgotten your password:
 - a) Click on **"Forgot User Details/Password?"**(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to swapneel@spassociates.co with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request to evoting@nsdl.co.in

- You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 22nd September, 2017.
- Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 22nd September, 2017, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or investor.relicab@gmail.com.

However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" option available on www.evoting.nsdl.com or contact NSDL at the following toll free no.: 1800-222-990.

- A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.
- A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.
- Mr. Swapneel Vinod Patel, Company Secretary (Membership Number A41106) and partner at M/s. Shah Patel & Associates, Practicing Company Secretaries, has been appointed as Scrutinizers to scrutinize the voting and remote e-voting process in a fair & transparent manner.
- The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Ballot Paper" for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
- The Scrutinizer shall, after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses, not in the employment of the Company, and shall submit within 48 hours of the conclusion of the AGM, a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him / her in writing, who shall countersign the same and declare the result of the voting forthwith.
- The Results declared alongwith the report of the Scrutinizer shall be placed on the website of the Company www.relicab.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

I. GENERAL INFORMATION:

- (1) Nature of industry: The company is engaged in the business of manufacturing and marketing of PVC Compounds and Wires and Cables.

Industrial Scenario: Wire and Cable industry's fate is closely linked to that of the industrial growth in general. Cables are crucial infrastructure backbone of an economy - the critical elements that wire up the length and breadth of the country. With the green shoots visible in with the expectation of a stable pro-reform, growth focused government at the centre and as per the indications available, the growth is expected to pick up slowly in the later part of the financial year provided improved governance and concerted action to resolve structural bottlenecks are effectively in place. Demand for cables is expected to improve further with the improvement in industrial growth. The Indian Wire and Cable industry offers lucrative scope for stable revenue streams to manufacturers of both specialised cables and power cables. The prospects of the Wire and Cable industry are interlinked with the health of other industries viz: power, telecom, railways, real estate, steel, cement, refineries, infrastructure etc., government's procurement policies, strategic diversifications and switching over to integrated manufacturing. With the growth of other related industries, the Indian Wire and Cable industry is indeed bound to grow & prosper.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

BUSINESS OVERVIEW:

Our company Relicab Cable Manufacturing Ltd. was incorporated in 2009 with an aim to corporatize the business of wires and cables manufacturing being carried out since 1999 in the name and style of M/s. Relicab Cable Corporation (Partnership concern). After receiving our certificate of incorporation, we have taken over the running business of this partnership concern through a business takeover agreement dated April 01, 2009.

Our Company is engaged in the business of manufacturing and marketing of PVC Compounds and Wires and Cables and we have successfully developed a wide base of business network and made our presence in this industry since over 15 years. We manufacture wires and cables to provide cost-effective and quality solutions for various electrical connectivity requirements, mainly for the industrial segments. We accomplish this through customized design and development, continuous research & development initiatives, quality manufacturing and reliable delivery of all varieties of cables. We are involved in manufacturing a complete array of wires and cables that are used in diverse sectors encompassing virtually all industries like telecom, electrical, automotive and household appliances and the new field of wind energy.

Our product range includes a wide range of wires and cables including armored / unarmored and single core as well as multi core flexible cables, control & power cables, instrumentation cables etc. using high quality copper wires in HR, FR, FRLS, ZHFR forms and other raw materials. Our Company has as part of its backward integration initiative; an in-house PVC Compound manufacturing facility which supplies compound raw material for our Wires and Cables manufacturing business as well as being sold directly as finished goods to other users of PVC Compound. We offer all types of PVC Compounds i.e. Insulation, Sheathing, Inner sheath, HR, FR, FRLS & Master batches.

To support our operations and carry out in-depth testing & quality management activities, our Company maintains a number of well designed and equipped test facilities and laboratories, which enable various designs and conceptions to be tested and implemented. Our Company also carries out periodic calibrations of instruments which are required in day-to-day use, to ensure higher accuracy of products. These laboratories and testing facilities ensure that all RELICAB products adhere to strict quality norms and also adhere to the relevant ISI and international specifications.

Our focus on quality products and services has enabled us to garner clients who are some of the leading industrial, electrical and telecommunication names in India and abroad. We have developed a long standing relationship with our clients which include companies like, ABB India, Schneider Electric, Crompton Greaves, Bharat Bijlee, Siemens, Maktel Control & Systems, etc., to name a few. Our products are being exported through exporters to countries such as Russia, Uganda, Indonesia, Nigeria, Singapore, and UAE. We supply our products under our own brand name - Relicab'.

Over the years we have strengthened our manufacturing capacity by undertaking expansion from time to time. Our manufacturing facility located at Daman (Union Territory) has a capacity to manufacture approximately 7,510 Km per year of wires and cables and almost 1500 tons of PVC Compound per annum. We have also been improving our technologies and constantly developing products and features to our PVC Compound, Moulded Wire Harness, Wires and Cables etc. in order to differentiate ourselves from competitors and increase our product qualities in the future. However, due to lack of available working capital, we have not been able to grow our turnovers and business capacity utilizations substantially. With the political and macro-economic scenario in India, we believe that demands for quality products within our space would increase and hence we propose to augment our working capital fund base in order to better utilize our installed capacities and formulations thereby increase sales volumes and improve margins.

INDUSTRY SCENARIO:

Wire and Cable industry's fate is closely linked to that of the industrial growth in general. Cables are crucial infrastructure backbone of an economy - the critical elements that wire up the length and breadth of the country. With the green shoots visible in with the expectation of a stable pro-reform, growth focused government at the centre and as per the indications available, the growth is expected to pick up slowly in the later part of the financial year provided improved governance and concerted action to resolve structural bottlenecks are effectively in place. Demand for cables is expected to improve further with the improvement in industrial growth. The Indian Wire and Cable industry offers lucrative scope for stable revenue streams to manufacturers of both specialised cables and power cables. The prospects of the Wire and Cable industry are interlinked with the health of other industries viz: power, telecom, railways, real estate, steel, cement, refineries, infrastructure etc., government's procurement policies, strategic diversifications and switching over to integrated manufacturing. With the growth of other related industries, the Indian Wire and Cable industry is indeed bound to grow & prosper.

OPPORTUNITIES IN VARIOUS SECTORS:

Cable and wire industry has established itself as one of the backbones of modern information age. The increasing importance for power, light and communication has kept demand high for wire and cable. This trend will continue as demand for reliable, efficient energy and data communications will strengthen the wire and cable industry. Cables play a small but significant part in infrastructure activities. With strong investments proposed across sectors such as power, realty, industrial and telecom the cable industry in India is slated for a strong growth going forward. Apart from the above, Government impetus in refineries, ports, airport modernization, power and fertilizers will offer a boost to the wire and cable industry as almost all manufacturing companies need cables. Robust industrialization and growing urbanization are also one of the important drivers identified. Auto sector and railways are the other important sectors consuming wires and cables on a large scale. Additionally, growth will be fuelled by urbanization as cables and wires will be required in buildings and offices.

POWER:

The power sector provides one of the most important inputs for the development of a country. Power sector is the biggest driver in the mainstay of cable demand, accounting for more than three-quarters of the market. Power is the core industry as it facilitates development in various sectors of the Indian Economy like agriculture, manufacturing, railways etc. It is considered that the growth of the economy is expected to boost the electricity demand in future. Also, there is a strong correlation between the GDP growth and increase in power generation capacity of an economy.

The positive trend in the power sector is one of the most important catalysts for the wire and cable industry. Cables play a crucial part in all the three aspects of the power sector - generation, transmission and distribution. Therefore, the trend of wire and cable industry is to some extent dependent upon the power sector.

REAL ESTATE SECTOR:

The Indian real estate sector is one of the most globally recognized sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade. It comprises four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations.

Growth in the real estate sector is essential to the wires and cable industry.

AIRPORT MODERNIZATION:

Aviation is one of the most important industries for the Nation. It connects India's vast geography more time-efficiently than any other mode of transport. The vision of India becoming the third largest aviation market by 2020, India's aviation sector is witnessing a steady growth where domestic passenger traffic handled at Indian airports stood at 122.43 million in 2013-14 as compared to 116.37 million in 2012-13. The growth in international passenger traffic at Indian airports increased to 46.62 million in 2013-14 as compared to 43.03 million, witnessing a growth of 8.34%.

Airport Authority of India (AAI) has identified Surat airport and 28 other metro and non-metro airports in the country for modernization. This would motivate domestic and global airlines to start operations from these airports to newer destinations thus helping improve air connectivity. The Government of India has decided to award airports in Kolkata, Chennai, Jaipur and Ahmedabad on management contract. The Airports Authority of India (AAI) has issued 'Request for Qualification' document for these four airports.

Increased activity in Airport modernization shall add to the demand for specialized cables.

RAILWAYS:

The Indian Railways' contribution to national integration has been unparalleled. It connects industrial production centres with markets and with sources of raw materials and facilitates industrial development and link agricultural production centres with distant markets. It provides rapid, reliable and cost-effective bulk transportation to the energy sector, to move coal from the coal fields to power plants and petroleum products from refineries to consumption centres. It links places, enabling large-scale, rapid and low-cost movement of people across the length and breadth of the country.

Vision 2020 addresses another major development challenge, which is both national and global in nature, namely, reducing hazardous carbon emissions that have triggered climate change. So far, there has been inadequate recognition of the Railways' contribution towards India's climate protection efforts.

Vision 2020 addresses one of the biggest development challenges of contemporary India, namely, Growth with Jobs and not Jobless Growth. Vision 2020 aims at considerably enhancing the Indian Railways' contribution to the national goal of achieving double-digit GDP growth rate on a sustainable basis.

Some of the major goals set for 2020 in the document include:

- (a) Establish quality of service benchmarked to the best of the railway systems in the world;
- (b) Target to achieve Zero accidents;
- (c) Target to achieve Zero failures in equipments;
- (d) Utilize at least 10% of its energy requirement from renewable sources;
- (e) Institute a foolproof eco-friendly waste management system;
- (f) Complete 4 high speed corridors of (2000 kms) and plan development of 8 others.

HYDROCARBONS:

OIL AND GAS: India produced 37.5 million tonnes of crude oil during 2015-16. Two-thirds of the oil produced in India's is drilled from offshore fields. Onshore oil is mainly produced in Assam and Gujarat. Indian Oil, India's second largest oil refining company, is ranked 19th globally. India exported over 59 MMT of petroleum products valued at Rs 1.96 trillion. India's oil refining capacity amounted to 215 MMTPA (Million Metric Tonne Per Annum) in Apr 2015 placing India in the fifth position in the world after the United States, China, Russia and Japan. Total refined crude output was 223 million tons in 2015-16, i.e. over 100% of installed annual capacity.

CBM: India produced 33.66 billion cubic meters of natural gas in 2015-16, much of which was onshore. New gas field discoveries along the eastern coast of India could mark a significant increase in gas production and distribution. Cross-country gas pipelines are being planned and Reliance eg has applied for gas distribution licenses in 100 cities for the supply of gas to consumers. An estimated 650 bn cubic meters of gas reserves of ONGC and Reliance Industries lie untapped in the Krishna-Godavari basin.

SHALE GAS: Shale gas is natural gas produced from shale, a type of sedimentary rock. Shale gas has become an increasingly important source of natural gas in the United States over the past decade, and interest has spread to potential gas shales in Canada, Europe, Asia, and Australia. One analyst expects shale gas to supply as much as half the natural gas production in North America by 2020. Many countries have expressed environmental concerns which have led to restrictions on hydraulic fracturing to produce shale gas or oil. Although the shale gas potential of many nations is being studied, as of 2013, only the US, Canada, Mexico and China produce shale gas in commercial quantities, and only the US and Canada have significant shale gas produc-

tion. A multi-organizational team of the Director General Hydrocarbons (DGH), Oil and Natural Gas Corporation (ONGC), Oil India Limited (OIL), Gas Authority of India Limited (GAIL) has been formed by the government to examine the existing data set and suggest a methodology for shale gas development in India

REFINING: India is emerging as a refinery hub as the last decade showed a tremendous growth in the refining sector. India has 17 public sector refineries and five refineries in the private sector/or as a joint venture, the largest refineries being RIL Jamnagar (Gujarat), RPL Jamnagar (Gujarat), MRPL Mangalore (Karnataka), CPCL Manali (Chennai, Tamil Nadu) and IOC Koyali (Gujarat). Three new refineries have been proposed for implementation at Paradip (Orissa), Bina (Madhya Pradesh) and Bhatinda (Punjab). In the 12th Five year plan period 50 million tonne will be added to the total refining capacity of India through capacity expansion projects of existing units. While new refinery units, which are expected to come up in the near future, will add up to 90.5 million tonne to India's total refining capacity.

With strong investments proposed across sectors, the cable industry in India is slated for a strong growth going forward.

RISKS AND CONCERNS:

Liquidity Risk: liquidity risk is the risk that a given security or asset cannot be traded quickly enough in the market to prevent a loss. All businesses need to manage liquidity risk to ensure that they remain solvent. The company manages the liquidity risk through prudent resource planning to ensure the availability of adequate funds at all times to meet its obligations on its liabilities as well as disbursement on due dates.

Finance Cost Risk: Finance Cost risk arises due to payment of high rate of interest on term loans and other funds & non fund based facilities being availed by the company from banks and other financial institutions. The company tries to minimize this risk by keeping a check on the interest rates charged by various banks and by swapping its long term/short term loans with banks charging lesser interest rates.

Raw Material Availability and Price Fluctuations: Scarce availability and price-volatility in Company's Basic Raw Materials - Copper, Aluminium, Steel, and PVC etc. can severely impact the profits of the Company. To mitigate these risks, the Company inculcates MOUs with its suppliers, price escalation clauses for large orders and hedges these raw-materials on the commodity exchange.

Foreign Exchange Risk: Foreign exchange risk is a financial risk posed by an exposure to unanticipated changes in the exchange rate between two currencies. Company imports a part of its raw materials and is also engaged in export of its products. To mitigate this risk, the company resorts to forward booking where deemed appropriate.

Human Resource Risk: In the absence of quality human resources, the company may not be able to execute its growth plans. To mitigate this risk, the company places due importance to its human capital assets and invests in building and nurturing a strong talented pool to gain strategic edge and achieve operational excellence in all its goals.

PERFORMANCE:

The management was focused on optimizing cost efficiencies to enable the business to cope with the economic crisis. Management's Responsibility for the Financial Statements

- 2) The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

- 3) Our responsibility is to express an opinion on these financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.
- 4) We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 5) An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
- 6) We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

- 7) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 8) As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ("the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 9) As required by Section 143(3) of the Act, based on our audit we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss, and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) in our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) on the basis of the written representations received from the directors of the Company as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note No. 35.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
10. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Relicab Cable Manufacturing Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Relicab Cable Manufacturing Limited as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
 - (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

General company profile :

Relicab Cable Manufacturing Limited (the 'Company') was incorporated on 23/02/2009 as Private Limited Company under the Companies Act 1956 and the same was converted in Public Limited Company on 22nd September, 2015. The company is engaged mainly in manufacturing cables and wires. The Company has manufacturing plants in Daman and sales in Domestic as well as International market. The Company is listed on SME Platform of Bombay Stock Exchange (BSE) .

1 Significant Accounting Policies:

(A) Basis of accounting :

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied by the company and are consistent with those used in the previous year except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set-out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and the realisation in cash and cash equivalent, the company has ascertained its operating cycle less than 12 months.

(B) Accounting Estimates :

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any difference between the actual result and estimates are recognized in the period in which the results are known / materialised. Any revision to accounting estimates is recognized prospectively in current and future periods.

(C) Fixed assets & Depreciation :

(i) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs, if capitalization criteria are met and directly attributable to cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(ii) Depreciation:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(E) Borrowing Costs :

Borrowing costs directly attributable to the acquisition, construction or production of qualified assets that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

The borrowing cost eligible for capitalization is being netted off against any income arising on temporary investment of those borrowings. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(F) Taxes :

Provision for tax is made for both current and deferred taxes. Provisions for current income tax is determined at the amount of tax payable at the applicable rates in respect of estimated taxable income for the year. The Company provides for deferred tax based on the tax effect of timing difference resulting from the recognition of items in the financial statement and in estimating its current tax provision. Deferred tax assets are recognized if there is a reasonable certainty of realisation. The effect on deferred taxes of a change in tax rates is recognized in the Profit & Loss Account in the period in which it has been enacted or substantively enacted as on the balance sheet date.

(G) Inventories :

Items of inventories are measured at lower of cost or net realisable value after providing for obsolescence , if any. Cost of Inventories comprises of cost of purchase , cost of conversion and other costs incurred in bringing them to their respective present location and condition.

Work in - progress and finished goods are valued at lower of cost and net realisable value. Cost of work in progress and finished goods is determined on absorption costing method which include cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Excise duty is included in the value of finished goods.

(H) Income / Expenses Recognition :

- (i) Domestic Sales are recognized on dispatch of goods from factory and Export Sales on transfer of significant risk & rewards of ownership of such goods. Sales are disclosed net of sales tax / Value added tax, discounts and sales return as applicable.
- (ii) Revenue from labour job is recognised on the basis of execution of job.
- (iii) The company accounts for excise duty rebate, duty entitlements and other incentives on exports on accrual basis.
- (iv) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(I) Foreign currency:

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Monetary items remaining unsettled at the year end are translated / reported at the year end rate. Any gain or loss arising on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss except in case of Long Term Liabilities.

(J) Employees Benefits :
